Sept 2021

The Who, What, and Why of The NEST

The Nest is made up of people just like you, who love the Hickman community and want to see it thrive! We are all volunteers, so every dollar raised can go directly to supporting our students, teachers, and staff.

Nurturing and Encouraging Students Together (The NEST) is the combination parent teacher organization, booster, and foundation for Hickman Elementary. The NEST is here to help plan and finance programs and projects to benefit the Hickman community.

The Super Pledge is our annual kick-off fundraiser! It does not involve selling anything. Simply donate what you can, and invite other interested folks to donate. This is how The NEST can continue to provide art, music, equipment, and more to *all* of our students!

Do you have Time, Talent, or Trea\$ure to share? The NEST welcomes you!

We welcome new ideas! We are also looking for:

- A "Time" Volunteer to coordinate dine out fundraisers (1-2 hrs per month, Sep-May)
- A "Time" Volunteer to coordinate the holiday store (1-2 hrs per week, Oct-Dec)
- Many "Time" Volunteers for the safety patrol (30-35 min/week, more if you want)
- All "Trea\$ure" Volunteers to donate to the SUPER PLEDGE

Contact HickmanNest@gmail.com with "Volunteer" in the subject!

Reminders

- Donate to the SUPER PLEDGE by Sept 30th for a chance to win a prize! 100% of donations directly support students!
- Next NEST Meeting is October 14, 2021, 7pm
